

The Celebrate Series

Stories & Exploring Programs

Let's Celebrate Nature!

These programs invite children, PK (Ages 4/5) to early elementary, to explore, discover, and celebrate a noteworthy holiday or topic relating to Earth, Nature, and Environment!

We will listen to stories, participate in hands-on activities, and adventure outdoors at your location or onto one of the many beautiful trails in the surrounding area – all connecting to the holiday or topic theme with take-home goodies that will continue the celebration!
